engaging & educating our community

Toddler Tuesday

Our partnership with Northeastern Arts Network brings five high quality and high energy performances to the region. There will be four musical groups and a performance by Montana Repertory Theater.

The art shows that we have brought to the community in the last year have showcased local artists as well as traveling exhibits through Montana Art Gallery Directors Association. We would love to hear from you on what you are interested in seeing.

Our *annual events* in 2018-2019 remained popular and brought MDHC increased revenue and visitors thanks to **the support of dedicated volunteers, staff, and community partners.**

The MonDak Heritage Center continues to **safeguard artifacts and tell the unique stories** of the MonDak region for the local community. In 2018-2019, MDHC has been assisting the Richland County Fair & Rodeo compile their history and publish a book celebrating their 100th anniversary.

Behind the scenes, MDHC started a large-scale collections and exhibits update and organization project. We will start this new project of sorting through all of the artifacts in the lower level, and entering each item into the Past Perfect Collections Management Software. If you are interested in assisting with this project please talk to Cheri or Leann. This is a long term goal as there are possibly 500,000+ items in the collection.

Our **art classes** and camps continued to inspire artists young and old and provide a source of enrichment and creative relaxation for area residents.

The photograph project is an ongoing project of taking each of the photographs in the collection, scanning at a high resolution and entering into Past Perfect. We appreciate all of the help we received at the fair this past year with identification of individuals in the photographs.
